Newsletter

Issue 2

We really want to thank you for listening to us. We want to thank you for your prayers during a busy month, and during the time of our test and trials that came and went. I don't know if you know, that ECR was hacked causing us to close down a few times, but we are open, and we are stronger than ever. Our main computer we use to put out this publication is out for awhile, so we are doing this publication on the studio computer leaving that computer tied up for awhile. But we still will broadcast live during that time, so keep us in prayer.

We do a publication that started to come out and only going to my Pastor, and to the partners of the station. If you want that publication, let me know, what it has is our monthly budget, numbers of people listening to the encoders, up to monthly supports. It goes to the extreme detail and tell things I will not tell in the newsletter.

Again, I really want to thank you for praying for us and being there for us. A lot of great things are coming out soon, so keep an eye on the newsletter.

Hey, thanks for listening to the weekly show. A few times, we did the show 2 times a week, but every show we've had a blast. The last week of August, we've had a chance to interview Matt Brouwer. Will my 2<sup>nd</sup> job miss things up, but we will try again next month or when things settle down a little bit.

Also, we have a new feature of Live with Mike, PODCAST. The show's podcast is on our website 2 hours after the live show. This is a free Podcast for a limited time only. Soon we will be charging \$1.99 per podcast and our tape recordings. Like we said in the August issue, we go over events, Christian Music Charts, and other great things, including live interviews. If we do live on location, it will be podcasted but, they will be on sale only.

Again, thanks for listening, and stay tuned to Live with Mike, we are coming out with new things for you almost everyday.

**Sam broadcaster:** We use this on all the shows including just playing music. Our station needs money to buy this program in full, to offer you the best of the station. Since we opened our media player on the site and still do shoutcast.com, this program has the encoders we need. The company needs \$300.00. What we need is the code, but the money will get us the code and we won't worry about demo's like we are doing right now. The demo is only good for so many days. So, pray about helping us out.

We need other equipment also. I have been praying in faith that the money we need or the equipment comes in. It will help us deliver music and ministry coast to coast and around the world. Currently we have been working with a company for the equipment. The monthly support we get from the tool bar, is not covering the needs for the radio station, so I will stand in faith that "God's Will" will be performed. We have a list on our website of the things we need, and we will provide the list on request only. Thank you for your support.

### Radio Station Counts and Support:

Extreme Praise	14			
Extreme Priase	145	Direct/Bookmark	116	Links 29
Extreme Teens	19	Direct/Bookmark	19	
Camstreams	226

Google	1 Member			
Forum	1 Member			
Mike Air time	26 hours			
Music	24-7			

Hey Thanks for listening. We are Live coast to coast and around the world. If you been touched in anyway, let us know.

### Other great shows on air:

**Extreme Teens:** Off the air until we get an server in.

**Extreme Daily Praise:** Airs 7 days a week starting at 7:00am until 9:00am. We believe everyone needs to start a day out right by playing non-stop praise and worship music.

**Extreme Shuffle:** Airs 7 days a week 7:00am until 10:00pm. We play contemporary, praise and worship, and whats on top of the Christian charts.

**Ministry:** We offer ministry 24-7

We are standing in faith for these goals!!!!.

September Goal \$3000.00

Update on the FM, we are still praying about it, we will update everyone in email once its a go...

Ministry Support: We need money to keep this open, all your money that you send to us, will only go to the expenses to this station. This is an listeners supported station.

Please check on the line and send back to 407 North Main Street, Highlands, TX 77562 with an money order or check or cash.
